FSL-India is a 22 year old International Youth organization, envisioned to create a Strong, Well connected, regenerative society for a better world. We are part of a movement that is 100 years old, promoting International Voluntary Service (IVS). We are members of global networks like CCIVS which is set up by UNESCO to promote Youth Mobility, peace and active participation of Youth and other similar networks. FSL-India runs programs to enhance, Self-awareness and Social Leadership by inculcating Personal Social Responsibility and developing Global Competencies among young adults through our Collaboration with Global Partnerships and Corporate Volunteering.

### OUR MISSION:

- ▶ Is to focus on the needs of School Children and Youth to enhance Self Awareness, Global Competences and Social Inclusion to increase Social Capital.
- ▶ To Design and run Voluntary programs that allow young adults to reflect and engage on issues that are relevant to them.
- ▶ Facilitates Capacity building through Volunteerism as a vehicle to identify, engage, design and run Micro Projects on issues that needs addressing in the society.

### AREAS OF WORK:

- ▶ Education
- ▶ Community Development
- ▶ Youth Engagement
